Important Safety Instructions

IMPORTANT: READ ALL INSTRUCTIONS BEFORE USE.
RETAIN INSTRUCTIONS FOR FUTURE REFERENCE.

Do not use in rain or leave outdoors while raining.

WARNING: Basic safety precautions should always be observed when using an electrical appliance, including the following to reduce the risk of fire, electrical shock, or injury.

Personal Safety:

1. Store indoors in a dry place out reach of children;
2. Always use responsibly. This appliance can be used by children aged from 15 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved;
3. Don't let children play with the appliance; supervise children using or maintaining the appliance;
4. Use only manufacturer's recommended attachments as described in this manual; misuse or use of any accessory or attachment other than those recommended, may present a risk of personal injury;
5. Take extra care when cleaning stairs;
6. Keep the appliance and accessories away from hot surface;
7. Do not block the appliances openings or hinder air flow, keep openings free of any objects including dust, lint, clothing, fingers (and all parts of the body);
8. Particularly keep hair away from openings and moving parts;

Electrical Safety:

1. Only use batteries and chargers supplied by the manufacturer;
2. Never modify the charger in any way;
3. The charger has been designed for a specific voltage. Always check that the mains voltage is the same as that stated on the rating plate;
4. A charger that is suitable for one type of battery may create a risk of fire when used with another battery;
5. Before use, check the charger cord for signs of damage or ageing. A damaged or entangled charger cord increases the risk of fire and electric shock;
6. Do not abuse the charger cord;
7. Never carry the charger by the cord;
8. Do not pull the cord to disconnect from a socket, grasp the plug and pull to disconnect;
9. Don't wrap the cord around the charger when storing;
10. Keep the charger cord away from hot surfaces and sharp edges;
11. The supply cord can not be replaced. If the cord is damaged, the charger should be discarded and replaced;
12. Do not handle the charger or the appliance with wet hands;
13. Do not store or charge the appliance outdoors;
14. The charger must be removed from the socket before removing the battery, cleaning or maintaining the appliance.

Battery safety:

1. This appliance includes Li-ion batteries, do not incinerate batteries or expose to high temperatures as they may explode;
2. Liquid ejected from the battery may cause irritation or burns;

3. In an emergency situation contact professional help immediately;
4. Leaks from the battery can occur under extreme conditions.
Do not touch any liquid that leaks from the battery. If the liquid that gets on skin, wash immediately with soap and water. If the liquid gets into the eyes, flush them immediately with clean water for a minimum of 10 minutes and seek medical attention. Wear gloves to handle the battery and dispose of them immediately in accordance with local regulations;
5. A short-circuit may cause a fire.
6. When the battery is not in use, keep it away from paper clips, coins, keys, nails, screws or other small metal objects that could make a connection from one terminal to another;
7. When you dispose of the appliance, remove the battery and dispose of the battery safely in accordance with local regulations.

Attention:

1. Before using the appliance and after any impact, check for signs of wear or damage and repair if necessary;
2. Do not use the appliance if any part is damaged or defective;
3. Repairs should be carried out by a service agent or a suitably qualified person in accordance with relevant safety regulations; Repairs by unqualified persons could be dangerous;
4. Never modify the appliance in any way as this may increase the risk of personal injury;
5. Only use replacement parts or accessories provided or recommended by manufacturer.

Intended use:

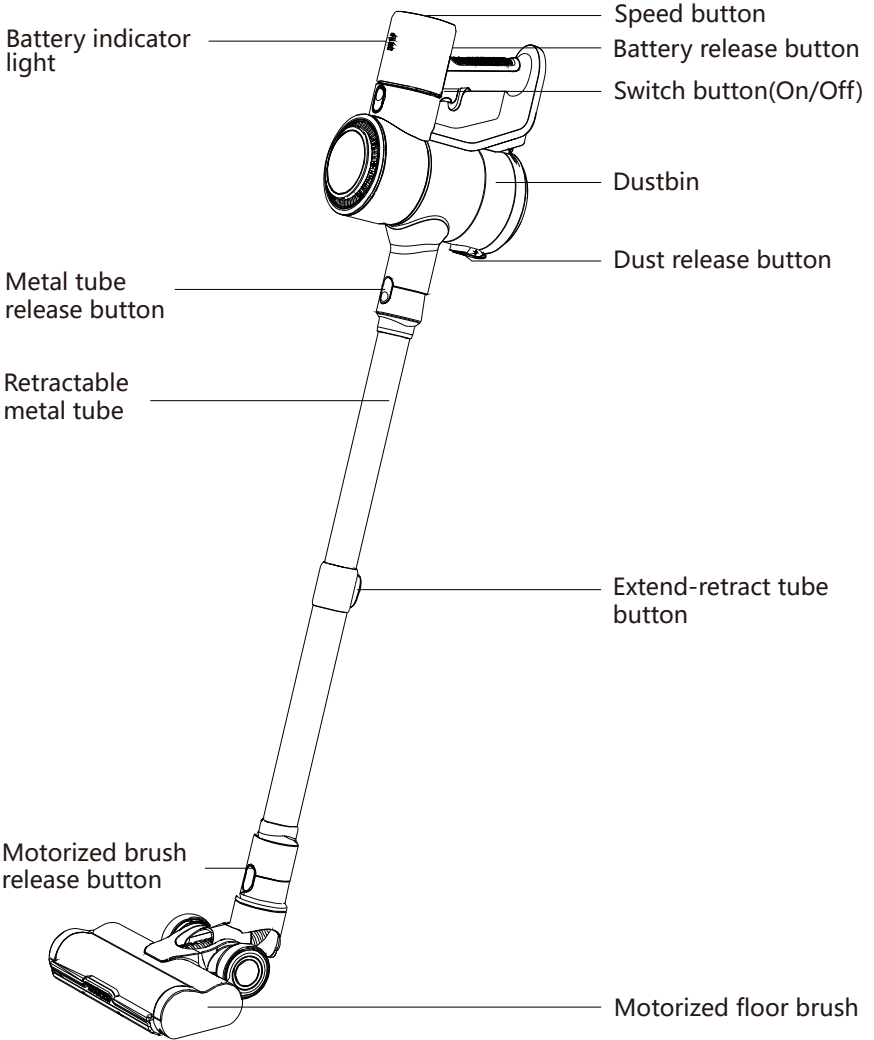

1. This appliance has been designed for domestic dry vacuum cleaning only;
2. Do not pick up liquids or use on wet surfaces;
3. Do not pick up anything that is flammable, burning or smoking;
4. Use only as described in this manual;
5. Don't use on concrete, tarmacadam or other rough surfaces.

WARNING:

1. Do not use water, solvents, or polishes to clean the outside of the appliance; wipe clean with a dry cloth;
2. Never immerse the unit in water and do not clean in a dish washer.

PRODUCT INSTRUCTIONS

Product Parts introduction:

Long suction nozzle

Soft dusting brush

Wall mount

Power adapter

Hair cleaning tool

Filter Sponge

Accessory Instructions

Direct-drive LED multi-tasker power brush

Direct-drive technology increases the cleaning efficiency and creates a highly dynamic operation, very effective for agitating dirt embedded in the carpet, easy to clean fine dust and debris. Ideal for both hard floors and carpets.

Long suction nozzle

For corners, niches and other hard-to-reach places, such as car seat and mat, picture frame, etc.

Soft dusting brush

Note:

In any other cases or if the solutions explained above can not solve the problem, please contact us via support@lubluelu.com or visit our website lubluelu.com for further support.

Warranty

The 2-Year Limited Warranty

Applies to purchases made from authorized retailers of Lubluelu. According to the requirements outlined in this instruction manual, subject to the following conditions and exclusions.

WHAT IS COVERED?

Your Lubluelu machine has a 2-year warranty against original defects in material and workmanship.

when used for private household purposes in accordance with the Lubluelu Instruction Manual.

This warranty provides, at no extra cost to you, all labor and parts necessary to ensure your machine is in proper operating condition during the warranty period.

This warranty will only be valid if the machine is used in the country in which it was sold.

WHAT IS NOT COVERED?

Lubluelu shall not be liable for costs, damages or repairs incurred as a result of:

- Machines purchased from an unauthorized dealer.
- Careless operation or handling, misuse, abuse and/or lack of maintenance or use not in accordance with the Lubluelu Instruction Manual.
- Use of the machine other than for normal domestic purposes, e.g. for commercial or rental purposes.
- Use of parts not in accordance with the Lubluelu Instruction Manual.
- Use of parts and accessories other than those produced or recommended by Lubluelu.
- External factors unrelated to product quality and use, like accidental water damage.
- Repairs or alterations carried out by unauthorized parties or agents.
- Failing to clear blockage and other hazardous material from the machine.
- Normal wear and tear, including normal wearing parts, such as Dustbin, Filter, HEPA, and Power adapter (or where external damage or abuse is diagnosed), carpet or floor damage due to use not in accordance with manufacturer's instructions or failure to turn the brush bar off when necessary.
- Reduction in battery discharge time due to battery age or use.

WARRANTY SERVICE

Register: Highly recommend you to register your machine on Lubluelu official website and enjoy exclusive benefits.

Failure to register your product won't diminish your warranty rights.

How to Claim: Please keep your proof of purchase. To make a claim under our limited warranty, you need to provide your original purchase receipt with the purchase date and order number on it.

All work will be carried out by Lubluelu or its authorized agency.

Any replaced defective parts will become the property of Lubluelu.

Service under this warranty will not extend the period of this warranty.

If your machine is not functioning properly, please email us: support@lubluelu.com
